UNITE WALK 2020 Rescheduled

To protect the safety and health of our bleeding disorders community during the current coronavirus crisis, the Oklahoma Hemophilia Foundation has rescheduled our UNITE WALK 2020 to **Saturday, September 26, 2020**.

As always, the welfare of our community is our first priority. We will continue to closely monitor guidelines from the CDC and local and state health officials to ensure conditions are safe before holding the Walk.

We hope that postponing the Walk will not slow down or deter your fundraising efforts. Instead, the new date can provide you with more time to raise funds to ensure the future of your foundation. Your fundraising efforts are more important than ever as we work to support individuals and families with bleeding disorders during this crisis.

Most importantly, we hope that you are doing whatever you need to take care of yourself and your loved ones in this most unprecedented time. Please let us know if you have any questions or need any support. Our commitment has always been to the health of this community, and during these challenging times that commitment is stronger than ever.

Thank you for our understanding,
The Oklahoma Hemophilia Foundation
